English Teaching Call for Papers

We gladly invite you to submit your research paper to *English Teaching* Vol. 78 No. 4. *English Teaching* invites contributions on current theoretical and practical issues in various areas including the following:

- second language acquisition/learning
- learning and teaching language skills
- curriculum design and development
- instructional methods, materials, and techniques
- language assessment
- language learner factors
- language planning and policies
- teacher training and professional preparation

The deadline for submission is as follows:

- **Due September 30, 2023**

for the Winter (December 31, 2023) issue

The papers should be submitted via our online submission system (<http://submission.kate.or.kr>). The length of the manuscript should be around 20 pages including the abstract, tables, figures, and references. Please refer to the Author Guide (http://journal.kate.or.kr/?page_id=3514) for more information. This issue also welcomes papers written in Korean (한글 논문 투고 가능). We are looking forward to receiving your paper.

For any information needed, please feel free to contact the editor via e-mail:
